THE WEBSITE

Since launching Matrushka, a fabulous interior design consultancy, former stylist Jo Berryman has re-imagined homes and commercial spaces for well-known figures in fashion and film, including Ashton Kutcher and Mila Kunis' Hampstead property. Now she's launched an online store – a one-stop shop for design enthusiasts who are looking for quirky pieces, salvaged objects and re-loved paraphernalia. You can purchase whimsical wares from cushions to artworks, neon signs to homeware, all with her signature high fashion meets rock'n'roll aesthetic.
